6

“The expertise the university was able to bring, helped to identify opportunities that individual companies would not be able to discover on their own.”

-Bryan Wada, Wada Farms

7

“The most important impact the 4-H program has had is to instill in me the value of service. As I prepare for college and career, my life plans have been influenced and impacted by the examples of servant leadership by my 4-H leaders, Extension staff and fellow 4-H members.”

-Caleb Hampton, Idaho 4-H State Teen Association President
